Austin, Sense and Sensibilia Broughton, Descartes's Method of Doubt Sosa, Reflective Knowledge Stroud, The Significance of Philosophical Scepticism The rest of the assigned readings are available on the course EEE web site Please come to the first meeting prepared to discuss the reading in Topic 1

### **Russell and the Possibility of Scepticism**

common-sense acceptance of the scientific world-view prevents sceptical arguments shaking our beliefs about reality Hence scepticism (or solipsism) is 'rejected in fact even by those who mean to accept it' (p 195-96) Philosophers who take scepticism seriously merely 'pretend to accept it' and betray a 'frivolous insincerity' (p 9)

### **Skepticism and Naturalism: Can Philosophical Skepticism be ...**

Scepticism is simply uninteresting: it throws the baby out with the bath water Having dismissed the quest for certainty, for rock-hard foundations, and for ultimate justification, what then remains for epistemology? It is left with the task of explaining our coming to know science (and common sense) The epistemic relation between humans

### **An Inquiry into the Human Mind - Early Modern Texts**

when the theory of ideas has produced a system of scepticism that seems to triumph over all science and even over the dictates of common sense All our knowledge of the 'human' body comes from anatomical dissection and observation; so if we are to discover the powers and principles [= 'driving forces'] of the mind

### **Understanding Hume's skepticism through Watkins' criticism ...**

1 Understanding Hume's skepticism through Watkins' criticism of it Ningombam Bupenda Meitei (StStephen's College) Department of Philosophy, University of Delhi Abstract The paper intends to discuss the naturalist strategy used by Hume in his skepticism in the first half of the paper, while in the second half of the paper, it comprises of criticisms to Humean skepticism
